[ARRL – Pass The Bill](#)

While the ARRL is pushing for this bill, I have not seen much written about what is actually IN the bill.

[K0NR](#)

[MORE Project](#)

The MORE Project is providing free access to US amateur radio courses and licensing for youth aged 12-17.

Video

[Half-square antenna: 3.6dBi and low takeoff angle](#)

This simple full-wavelength wire antenna has some impressive features: about 3.6 dBi of gain broadside and a low takeoff angle, making it excellent

for DX.

[K5OHY](#)

I was coiling cables wrong for years

In this video I show the easy way to avoid tangles, knots, and kinks when you're coiling cables.

[Ham Radio DX](#)

DXing at dawn

DXing from West Mersea Essex.
